

Affiliated & Non-affiliated options for summer & winter study abroad

Summer/winter study abroad programs offered by our affiliates for the 2018-19 academic year can be found at tinyurl.com/short-term-affil-2019.

Below is a list of study abroad organizations and universities with which Ithaca College partners. Each organization has both affiliated and non-affiliated options for summer study abroad, and some will also offer winter programs. Availability of program locations and fields of study determined by each organization, and subject to change without notice.
