To Whom It May Concern:

Ithaca College, Ithaca, NY has established a hybrid plan for the Fall 2020 semester. The Fall 2020 hybrid plan consists of a phased-in return to campus between September 8 and October 5, 2020. During that time we will follow a dual format of instruction, followed by on-site, in-person interactive courses and other learning opportunities integral to the coursework as well as engaging digital learning experiences. Ithaca College is working hard to prepare our campus to receive our students for the Fall 2020 semester. We are instituting a robust virus screening program and our campus protocol will include screening upon arrival to campus as well as ongoing frequent screenings, isolation, quarantine and contact tracing as needed.

Our Fall semester calendar is available at <https://www.ithaca.edu/academics/registrar/academic-calendars> and our Fall 2020 campus re-opening plan is detailed at <https://www.ithaca.edu/return-to-campus>.

Please contact our office if you need further information regarding Ithaca College's reopening plan, our hybrid mode of instruction for the Fall 2020 semester or this student's status.

Sincerely,
